*** With deepest sorrow... ***

Valentina Nikolaevna Zhuravleva, Genrick Altshuller's widow, passed away last Friday (March 12) in a Russian hospital. I know that you are as saddened by this news as we are. I do not have anymore news at this time. As more information is available, we will post it to our web site.

The Altshuller Institute offers condolences and sympathies to Larisa and Yuna. Valentina will be missed but not forgotten.

Sincerely,

RICHARD LANGEVIN
