Hosting ETRIA member Simon Dewulf - CREAX

Academic host Professor Joost Duflou – Katholieke Universiteit Leuven

Organisational host Lode De Geyter - Hogeschool West-Vlaanderen

The organising committee welcomes you to the TRIZ Future Conference 2006 in Kortrijk, a Belgian 'Design City' with many historic buildings, cosy bars and restaurants. Besides the paper sessions, the program includes two world leading industrial visits, a TRIZ award and a TRIZ innovation museum, Belgian beer and chocolate tasting.

Conference topics

Papers are invited from prospective authors from industry, universities and research institutes. Contributing papers can cover theoretical and experimental TRIZ research as well as case studies. The conference plans academic sessions, practitioner sessions, poster presentations and presentation of TRIZ software tools. The conference language will be English.

CALL FOR PAPERS

The deadline for the submission of the abstracts (500 words) is April 1st, 2006. Notification of acceptance or rejection will be mailed by May 20th, 2006. Authors of accepted abstracts will be sent the instructions for the preparation of the full papers. The final deadline for the submission of full papers is June 1st, 2006.
