Japan TRIZ CB is going to hold **"The Second TRIZ Symosium in Japan, 2006 " on Aug. 31 through Sept. 2, 2006 at Suita, Osaka** , for the purpose of providing an open forum for presentation, discussion, and partnership.   Plan of the Symposium and **Call for Papers** have been posted here. English as well as Japanese are the official languages, and the slides of all the presentations will be projected in the two languages (without official intepreter services). The Symposium will be one of the major international TRIZ meetings in the world this year, too.

"The Second TRIZ Symposium in Japan, 2006"   Aug. 31 through Sept. 2, 2006 at Suita, Osaka

Call for Papers (Feb. 22, 2006 [Engl]   [Jap.]) (See more detail in the PDF file: Feb. 22, 2006 [E PDF]   [J PDF])
Some more plans in the Symposium

"The Second TRIZ Symposium in Japan, 2006", Outline

Date: **Aug. 31, 2006 (Thu.) -- Sept. 2, 2006 (Sat.)**   (2 days and half)

Location: **Matsushita's Pana Hills Osaka, Suita City, Osaka, Japan** (planned)
            (A resort training facility of Matsushita Electric Industry, located near the Osaka Expo Park,
                accessible in 30 min. from Osaka (Itami) Airport or from JR Shin-Osaka

Station.)

Purpose: To provide with an open opportunity for presenting, discussing, and communicating in Japan on TRIZ and related area.

Activities:

- ○ Keynote Speeches, Invited Talks, Introductory Overview Report, and Concluding Discussion
- ○ Oral Presentations of contributed papers (30 min. talk + 10 min. Q&A) and Poster Presentations
- ○ Reception and Informal Group Discussions in the evenings

Official language: **Japanese and English**. Slides of all the presentations will be projected in the two languages in parallel.
          Official interpreter services will not be provided.

Accomodation: Pana Hills Osaka   (Guest rooms in the resort facilities)

Scale: Last year: 104 participants. This year, 120-130 participants expected.
